

King of the Wing Drivers Will Compete for Top \$\$\$ in Northwest Swing

Jamestown, IN – July 21, 2015 – The Roy Price Memorial Group has informed King of the Wing National Sprint Car Series Promotor Davey Hamilton that the purse for Rory Price Memorial Race being run at Evergreen Speedway's 3/8 mile track in Monroe, WA, Saturday August 1st, has been increased from \$3,000 to \$10,000. "The Rory Price Memorial Group has done a great job securing the additional funds for this race in memory of a great racing brother. I am positive we will have a great race that Rory Price would be proud of." Hamilton said

The Northwest swing of the National Sprint Car Series will kick off Thursday night July 30th at the famed Quarter mile oval in Meridian, Idaho. This is the track Series Promotor Davey Hamilton cut his teeth at as a young racer. When the track received a makeover several years ago a bounty of \$500 was established for the first driver to break into the 10 second bracket. Oregon's Andy Alberding has come closest with an 11.154 second lap on June 5th 2010. The bounty currently sits at \$2500. Can any of the King of the Wing drivers claim this bounty?

The NW series will conclude on Sunday August 2nd on Evergreen's 5/8 mile track.

The "King of the Wing" Series is designed to work with all teams, promoters, fans and sponsors, to strengthen pavement Winged Sprint Car racing from coast to coast, working directly with all existing pavement Sprint Car Series. Long term plans for the Series are to provide a competitive rules package that can apply to all Sprint Cars and create race events that truly allows the promoters and racers to build bigger venues, show the sponsors and fans the world's fastest short track cars, and to promote some of the best short track drivers competing head-to-head no matter what part of the country they are from or what Series they run on a regular basis. This is the only pavement Sprint Car Series that features competitors from all across the United States and Canada.
