

Breaking News!! The King of the Wing series on MAVTV

The award winning and highly successful TV show "Lucas Oil On the Edge" has chosen to feature the King of the Wing series event from Irwindale!

"Lucas Oil On the Edge" will record, produce and broadcast the entire November 21st KOTW main event from Irwindale to air exclusively on MAVTV!

"We're excited to have these guys come out and cover our event", said Western Sprint Car Series Regional Director, Dave Swindale! "Its an incredible facility and

with over 30 cars expected the racing action will be equally impressive. These are the fastest short track cars in the world and on a track as big, wide and fast as Irwindale the 900 HP cars will run 3 wide and treat the fans to a very exciting show'!

The "On the Edge" telecast will be anchored by 17 year motorsports veteran Ken Stout joined by Sprint and Midget car ace Rob Klepper. The OTE crew has covered some of the biggest events in the country dating back to 2003 and is known for capturing excitement, the KOTW series fits the show perfectly!

Air time will be announced at a later date.
