About the King of the Wing Series:

The “King of the Wing” National Sprintcar Series is designed to work with all teams, promoters, fans and sponsors, to strengthen pavement Winged Sprintcar racing from coast to coast. Working directly with all existing pavement Sprintcar Series. The Series provides a competitive rules package that can apply to all Sprintcars and create race events that truly allows the promoters and racers to build bigger venues, show the sponsors and fans the world's fastest short track cars, and to promote some of the best short track drivers competing head-to-head no matter what part of the country they are from or what Series they run on a regular basis. This is the only pavement Sprintcar Series that features competitors from across the United States and Canada. Since its inception in 2014 the series has run 44 races at 17 different tracks.
